

The Hub at ECOS Ballymena

Set in 150 acres of stunning parkland, Ecos offers modern Grade A workspace, meeting rooms & conference facilities ideal for stimulating innovation and providing networking opportunities.

Try a new way of "hybrid" working at Ecos, with access to flexible office space and facilities. Ecos gives staff a space to meet and plan in person whilst maintaining social distancing. It equips you with a ready made business community, where you can maintain your shared purpose and company culture in a safe, secure and central location.

The Hub at Ecos offers:

Dedicated co-working space

Flexible terms, conditions and lease agreement

Opportunities for collaboration

Access to high speed broadband

Including:

- Café, patio and a lakeside seating area on site
- Free car parking
- Dedicated support staff
- Security and access control
- Access to the other Catalyst Inc sites in Belfast, Derry/Londonderry and Letterkenny

Location

Centrally located within Northern Ireland and five minutes off the M2 motorway.

Support Available

- Access to the Michelin Development Fund providing grants for international companies setting up in the area with a viable expansion proposition to create sustainable jobs.
- Wrap-around business support programmes available including business growth mentoring, planning policy and support, skills academies.
- Strong links with academic institutions.
